Voice

Fi- re trans- fo- rm me, Lead me to my pas- sion, Fi- re trans- fo- rm me,
Lead me to my pas- sion, I cho- ose life, Yes! I choose cour_ age, I cho- ose life, Yes!
I choose cour_ age, To dance a- mong the flames, to dance a- mong the flames

Note: this chant can be sung in the singular (I/ me/my) or the plural (we /us/our). For consistency, chants appear usually in the singular, unless it is known that the author wrote/intended it otherwise.

Also, the "Yes" in the chant is a shout without a specific note during the beat of the rest.
