He - ca - te, Cer - ri - dwen, Dark Mo - ther take us in,

He - ca - te, Cer - ri - dwen, Let us be re - born.

*Note: This song can be sung along with "Hoof and Horn," either alternating between the two as if they were verses, or singing both at the same time. As a suggestion, the women can sing "Hecate" and the men can sing "Hoof and Horn," - Both go well in rituals at the time of Samhain.*
